IN FONDEST MEMORY

The Marion Jewish Community that knew and loved Dr. Leo Diamond shares the grief of his wife Esther and their three children, Bernie, David, and Joan. Dr. Diamond passed away Friday night, September 25 in Los Angeles after suffering a fatal heart attack. He had not been in good health during the four years that he has been gone. We shall mourn for him.

A WARM WELCOME

We are happy to announce several new families who have come to Marion desirous of joining our Community. They are Mr. and Mrs. Arthur Weiner and Mr. and Mrs. Robert Beck.

We hope that they will join us often at Friday night services as well as the various activities that will take place during the coming year.

PERSONALS

Dr. and Mrs. David Goldsmith will be moving soon from their present residence on Jeffras to a lovely home in Shady Hills. Chloe is at this writing still expecting the newest addition to the family.

We regret to report that Bess Kallmeyer had an unfortunate fall this past week which resulted in a broken hip. Another of those nasty accidents that happen in the home, according to statistics they are overwhelming. We wish her a speedy recovery.

THE YOUNGER GENERATION

Gone from Marion to greener pastures are many of our young people. Back to Ball State for her second year is Diane Sectors. Billy Resneck returned to Oberlin as a sophomore. Lee Maidenberg has entered Indiana University as a freshman and pledge to Sigma Alpha Mu fraternity. Michael Zimmerman is at the University of Chicago, second year Law School. Michael Maidenberg is now in India as a Volunteer Peace Corps Worker. Toby Maidenberg is teaching Italian and working on a Master's degree at Harvard. Steven Klain is in Poland on a Fulbright Scholarship.

The bulleting this year will be co-edited by Charlotte Resneck and Irma Maidenberg. We hope to keep you informed of activities within the community to the best of our ability. Please feel free to contact either of us if you have news that you would like included in the bulletir.
