Dear Aunt Ruth,

Well here we are, - and  
Rochester is just the same.  
Saw the folks in Chicago -  
and I didn't feel marvellous,

Went right to the hospital  
+ Miss Nolan almost  
fainted when she saw  
me. Sister Lertwade  
didn't even speak.

Dr. Bergen was making  
his rounds + he put his  
arms around me (almost  
kissed me). At last I think  
he's marvellous.

It's awfully hot  
here, - hotter  
than heck. Am  
in a swim (guess

Nobody looks familiar

I've asked everyone I do  
know about Rose & Phyllis  
& they said P. went home  
but wants to tell me what  
happened to Rose, —

Mother met a darling  
girl whose husband is  
having his colon removed.  
Poor guy. — Cute too. She's  
a minicler.

Don't know any of the  
names here but one is  
on the other side of 4<sup>th</sup> floor.  
She came over today but I was  
asleep. Konsello was over.  
She just told me Rose went  
home alive.

I'm getting 2 starch  
enemas
